

Go BIG with GO-MED

Greater Outreach Medical / Educational Destinations (GO-MED) is a Canadian not-for-profit society that was incorporated federally by the Canadian government on September 9, 2009 and extra provincially in BC on November 19, 2009. We engage in medical / educational missions for indigent people in developing countries around the world.

The objectives of our limited-duration missions are to provide any or all of the following:

1. Specified free medical and surgical procedures performed by qualified medical personnel;
2. Training of appropriate local medical personnel in the techniques of the surgeries and procedures being used, and in related pain management and cost-effective decision-making;
3. Educational information focused on prevention and positive health behaviours;
4. Used and donated medical equipment and supplies.

GO-MED is about a group of passionate people committed to creating better health for all humanity. In February of 2010, we completed our first mission to the Baguio General Hospital in Baguio City, Philippines. We provided 78 operations to underprivileged people who could not afford them. They included laparoscopic gall bladder surgeries, hernia repairs, gynecological surgeries and mastectomies. We are a non-profit group, and our missions depend upon the charitable donations of our members and supporters. As a registered Canadian charity, we are able to issue charitable donation tax receipts for the full amount of any funds donated. We are free of any religious or political affiliation and do not engage in promotion of any religious beliefs or any political parties. Your contributions play a significant role in helping GO-MED continue to perform its surgical procedures in 3rd world countries.

We want to be able to make a difference in the world, and continue to build on the success of our last mission. This is a great opportunity for your business or group to support a worthwhile cause and show the world that through donations of funds and/or supplies, you can be part of this worthwhile cause.

Please accept this letter from our committee to your organization as an appeal to your generosity and humanity. Our volunteers will be traveling from BC as well as other parts of Canada and the United States on their own expenses, volunteering their own time. We wish for sponsorship and donations to help us provide people in the rest of the world with medical care.

Your help is greatly appreciated and will be recognized at any of the events that we hold in the coming year or years if you choose to become a life time supporter. Furthermore, we will gladly recognize you in any of our publications. As well, if you wish to advertise your business, sponsorship signage space is available.

We appreciate that we are all challenged by these current economic times. We hope that you can support us.

How you can support us:

- **Corporate Sponsorships**
 - Gold (\$1,000+)
 - Silver (\$500-\$999)
 - Bronze (\$250-\$499)

Other opportunities to support our non-profit organization,:

- Silent Auction Donations
- Live Auction Donations

All corporate and donor names will be thanked in our publications and on our website, and will be acknowledged at future events.

GO-MED is about **“Creating better health for humanity one person at a time, because positive people are the ones that move forward in life and create greatness.”**

Thank you for considering our request for your support. Please contact _____ should you require any additional information.
